

Outstanding Golf in the East Valley!

SAN MARCOS GOLF CLUB

“The Original Grass Golf Course” in Arizona first built in 1914 and later redesigned in 1928. Our championship, par 72, 6500-yard traditional layout is enhanced by lush green fairways and heavily lined by century-old tamarisk and palm trees. The greens are small and protected by numerous sand bunkers providing a challenge for golfers of all skill levels.

OCOTILLO

Ocotillo rises out of its surroundings like an elegant Arizona oasis. A true golfer’s paradise of lush, rolling fairways, abundantly sprinkled with mature trees, colorful flower beds, water falls and lakes that come into play on nearly every hole. This superb 27-hole championship course has become one of—if not the—finest upscale daily fee facilities in the country.

WHIRLWIND

Whirlwind Golf Club, Troon’s newest gem, is truly a unique southwest golf experience. The 36-hole course and clubhouse are sensitively designed to preserve the rich cultural heritage of the Gila River Indian community. Golf course designer Gary Panks artfully blends saguaro, Palo Verde, Mesquite and Cottonwood trees with native grasses and rolling terrain to create a challenging, fair and memorable game.

THE RAVEN

Former US Open Champion David Graham and his partner Gary Panks turned the foothills of Phoenix’s South Mountain into a layout that challenges players of all skill levels. More than six thousand pine trees were imported to help form a midwestern golf experience within a desert backdrop. The 7,078 yard course features beautiful beds of pine mulch, flower gardens and rugged desert views with the Phoenix skyline as a backdrop on every hole. Rated “#1 in Golf Course Service in North America” by Golf Digest.

THE LEGACY

Designed by renowned architect Gary Panks, lush green fairways, forgiving roughs, well-placed hazards and manicured greens are surrounded by rolling terrain with indigenous grasses, wild flowers, shrubs and trees. Its elevation provides exceptional views of South Mountain, Squaw Peak, and the downtown Phoenix skyline.

LAS SENDAS

Las Sendas offers a spectacular panorama from the White Tank Mountains in the west to the Superstition Mountains in the East. “Las Sendas is not a golf course through the desert or planted on a desert. It is a golf course in the desert. It is a course, which attracts you with its beauty and challenges you with its shot options. You better bring your six-gun. You’re going to have to shoot here!” Robert Trent Jones II

GOLD CANYON

Two challenging courses that offer unique golfing experiences; Dinosaur Mountain and Sidewinder. Both immaculately manicured championship golf courses combine challenging layouts with panoramic vistas of this natural desert setting. Dinosaur Mountain takes golfers into the high Sonoran desert environment, where a round of golf includes magnificent views of the Superstition Mountains. Ranked #2 public course in Arizona, the dramatic tee to green elevation changes will take your breath away.

We can arrange tee times at any of your other personal favorite golf courses!
